

MEMORANDUM FOR: Mr. Casey

Danny Childs telephoned. After some discussions with people at OMB, it does not appear that Joe Wright has been able to get in touch with Cong. Chappell.

Danny suggests that you may want to get in touch with Congressman Murtha and explain the situation to him and indicate to Cong. Murtha that it is important that he get hold of Congressman Chappell.

If you should wish to telephone Congressman Murtha his number is 225-2065
